

SERVE

Support, Engage, Respect, Volunteer, Encourage

An invitation for you and your business to join our sponsors and donors in making a difference in the lives of children, seniors, and others less fortunate...

The Women's Division of the Grapevine Chamber of Commerce will celebrate its 52nd year of existence doing what we love and what we do best - working hard for those in need within our community. For the last half-century, the Women's Division has sought out opportunities to help those in need, and this year will be no different.

For 2016, The Women's Division provided almost \$30,000 to purchase school supplies for children in the GCISD that deserve the right to start a new school year properly - prepared with necessary school supplies. Later this fall, the Women's Division will assist over 100 seniors with basic necessities and gifts to brighten their holiday season, and in between, we will help others with various charitable offerings.

Our giving efforts are made possible not only by the support and participation of our members, but by the wonderful generosity of our many sponsors within the community. We have several opportunities for corporate or individual sponsors all throughout the year. From the Great Taste of Grapevine, Uncorked: Music in the 'Vine event, or the family friendly Elves on the Run 5K, there is something for everyone.

Detailed information about the various fundraisers hosted by the Women's Division is attached.

May we count on your support as a sponsor for one, two or all three of our 2017 events? Because the Women's Division of the Grapevine Chamber of Commerce offers fundraising opportunities under the Chamber's Foundation, a 501(c)3, your sponsorship may be tax deductible.

We appreciate your consideration and welcome the opportunity to discuss in greater detail any or all of our events. Please feel free to contact Casey Maxfield at (817) 808-6532 or BJ Wilson at (817) 715-5802.

We look forward to your participation.

Sincerely,

Casey Maxfield
