Continuing to Build Our Businesses

February proved to be another busy month for your Grapevine Chamber. We have an exceptional luncheon with Kevin Curnutt, who reminded us to celebrate what we have and never take it for granted. Even in tragedy, he found peace and success, and shared that tale with us. You can not have a bad day, if you think of Kevin.

Our committees and networking groups are in full swing. If New Year's resolutions were made to get involved, we can tell that our members are above average in sticking to their goals. We have seen most of those meetings continue to grow. We had a new member breakfast with over thirty new members coming together to get introduced and learn about your chamber!

Your chamber staff was busy working with Lockheed Martin to plan and implement the Procurement Conference which supported Veteran owned businesses and others in our community. We were a part of providing a grant to "Defenders of Freedom", as they continue to support veterans and their families.

And speaking of Chamber staff. We had the opportunity to welcome Emily Nelson to the Chamber. She will serve as our Marketing and Communication coordinator. Some of you may remember her, as a few years ago she worked for Dick's Sporting Goods and served as the Marketing Director for Golf Galaxy. Make time to welcome Emily to our Chamber.

Your Board continues to work on the final plans to expand our meeting space. The Legislative Advisory Committee is watching out for you as the Texas Legislature is in session and the Leadership Grapevine Class is preparing to take an awesome trip to Austin. The staff is beginning to work on the April 13th job fair, as well as upcoming festivals and other events. And all the while, the Chamber continues to market our businesses through our website and social media. It is a great year, and I am enjoying the opportunity to serve you.

Looking forward to "Building for our Future".

Somaderm HGH Gel by NewULife The Only FDA Registered,
Transdermal OTC HGH Product available without a prescription!

WHAT EXACTLY IS HGH?

Human Growth Hormone (HGH) is a single-chain peptide hormone produced from the pituitary gland, the master gland in the body. This is the hormone that helps you grow throughout childhood, hence the word "growth". Around the age of 20 HGH is at it's peak, and then plummets around the age of 25.

Many experts say that elevating growth hormone when you are older can bring back your levels to when you were in your 20's. Most people experience these benefits in as little as two weeks.

Healthy Levels of Growth Hormone May Offer the Following:

- May support better mood*
- May enhance libido*
- May improve memory*
- May increase joint mobility*
- May increase fat loss (especially around the mid-section)*
- May increase bone density*
- May promote hair growth*
- May support greater muscle tone*
- May support healthier hair, skin & nails*
- May increase strength*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Must Be Present to Win!

Sponsored by First Financial Bank, NA.

Those present at the January Membership Luncheon saw no winner for the "Must Be Present to Win" drawing.

The prize is now \$1,050 for March. Each month through the sponsorship of First Financial Bank, an additional \$50 is added to the prize at the Chamber's Membership Luncheon, so the dollar amount grows as long as the person whose name is called is not in attendance. To win, all you have to do is attend the luncheon and hear your name be called! Every representative's name is included for each chamber member, so everyone has an opportunity - you only have to have your name drawn to be Present to Win!

Grapevine Chamber WOMEN'S DIVISION

Can you believe it is already March?!? The Women's Division members are busy bees in full prep mode for the 24th annual Great Taste of Grapevine! The event will be held at the Hilton DFW Lakes on April 18th, 2019. We have more space at this venue and are looking forward to a larger group of restaurants

as well as a bigger silent auction and raffle! If you would like to sponsor the Great Taste please reach out to Sharon Smith at sssmith33@me.com. We would love to achieve record breaking fundraising at the Taste this year to help us provide for the growing needs in our community.

At the Women's Division February luncheon we shared that from 2015-2018 the WD has provided \$193,246.21 in funding to those in need in our community! That is a profound impact on the lives of women, children, and seniors in our Grapevine community!

We look forward to seeing you at our March 12th luncheon – March's lunch will be hosted at Cowboys Golf Club!

Mom and Pop Business Owners Day

March 29th

Celebrating Small Business and their Owners

Grapevine is the mecca for small businesses that create shopping, dining and entertainment experiences unlike anywhere else in DFW. This day recognizes those individuals who spend countless hours building and developing their enterprises. High workload demands and lack of a hired staff, often translates into long and late hours with limited time off, but all in all, we love what we do.

Plus, we get to be our own boss!

Celebrate National Mom and Pop Business Owners Day by showing your support....

Shop at the many one-of-a-kind shops and boutiques located in the heart of Historic Downtown Grapevine *today*, and *everyday!*

This month, NJ is offering 30% off on printing to all small business owners in Grapevine.

* Print ready file, house stock, artwork additional.

Creative Design | Digital Printing | Posters | Signs
